Summer Vacation Assignment

Class : V (Session 2018-2019)

It's time to stay up late

It's time to play all day and not think about tests and worksheets

Yes, It's time to relax and enjoy.

It's time to enjoy reading books with your grandparents.

After all summer holidays are here.

Summer Vacations are synonymous of fun, frolic, getting up late in the morning, playing for longer hours with friends, going for picnics, exploring new places, watching fun filled shows on television. But dear children, a lot more can be done to make your vacations more interesting, meaningful along with doing all your heart desires. Here is a task to keep you gainfully engaged in these vacations. It will surely mould you for a better and successful year ahead.

Few guidelines for your parents to make your long summer break fruitful:

1. “Knowledge is Power.” Therefore encourage your child to cultivate the reading habit because it not only enhances the knowledge acquired but also develops the vocabulary, language skills and improves spellings. And also read to your child because it builds reading skills and increases his/ her attention span.
2. “A healthy mind lives in a healthy body.” Encourage your child to go out and play because sports instil discipline, generate sporting spirit, channelize energy constructively.
3. Communication skills play a pivotal role in grooming the overall personality of the children. Converse with your child preferably in English to help him/ her get comfortable with the language.
4. Spend quality time with your child engaging him/ her in activities based on enhancing his / her powers of observation and imagination.
5. Encourage your child to play board games e.g. Chess, Ludo, Carrom etc. as a healthy alternative to the usage of electronic gadgets.
6. Sensitize your child about the rich culture and heritage by watching different informative channels like ‘The National Geographic,’ Animal Planet etc. with them.
7. Encourage your child to do the activities himself/ herself and appoint a specific time to do homework everyday.

Have a fun filled vacation!
